HEAVENLY EVELYN

Dear PURELY 18,

You dirty dogs have done it again! Every time I say to myself, "There is no way those guys can do better than THIS!" You guys get even better! Wow! Meow! Double wow!

Obviously I am all bunched up over Evelyn Lin. Maybe she's been around a while, maybe not, but your Holiday issue was the first I'd seen of that Asian treat. Just seeing her photo in the index made my cock go all banzai! Seeing her in the camouflage scrubbing up her Jeep had me hoping for a sudsy mess—and I got it!

I hope you will bring back Evelyn soon. Those pretty, little boobies and smooth hole are the greatest thing in the world. Thank you, Evelyn, and thank you, P18!

Rich
Culpeper, VA

Dear Rich,

We're happy to see that Evelyn was able to help you get through the holidays. She's quite a girl! We'll do our best to bring her back for an encore.

LOOPY FOR LOLI

Dear PURELY 18,

Ever since I can remember I have always started my magazine reading with the centerfold. While most magazines waste this valuable space with stupid advertisements, there are exceptions—and then there are exceptional exceptions! Which brings me to Loli.

You call her the "Teen Dream." Well, I haven't been a teen for a very long time, but that hasn't stopped me from dreaming of Loli! There were moments when I thought she looked so adorable in her tank top and yellow panties that I didn't want her to take them off. But she did. And I am grateful.

Besides being cuter than all get-out, Loli possesses the wonderful combination of a shaved-clean snatch and a pierced pussy. Wow! I have to say that is probably the hottest thing in the entire world. And then the icing on the cake: watching her plug that dildo into her tight, young hole. Just thinking about it is almost too much for this old man! Almost.…

FREAKY FUN-TEENS

Dear PURELY 18,

I have a confession to make: I don't know which one is Lolly and which one is Lola. No clue. Not to be rude, but I'm not even sure I care. But I'll tell you this: That is the hottest combo I have ever beat my meat to.

First off, the blonde/brunette combination is totally hot. Schoolgirl outfits? Can't top that. Not until they doff those duds and stick their faces (and, later, dildos) into those perfect pussies. Oh, and the 69 position was crazy hot!

I do have one question: Do blondes have more fun?

Mac
Davis, CA

Dear Mac,

We've often been asked that question about blondes and their fun. They do have a lot of fun, there's no doubt about that! But brunettes are also incredibly fun. We don't have any rock-solid proof, just years of hands-on experience, and we think they both have fun—especially when they are teenagers. Maybe that's how the saying should go: Teen girls have more fun. They sure do!

CRAZY FOR SANAEI

Dear Sanaei,

You are a young goddess, my hero, the first and last girl I shall ever love. I love your braces. The tattoo on your bicep. I would love to clean each pubic hair one by one with my tongue every morning and every night. I would watch and listen and dream while you used your vibrator and if you wanted to do the same to me, I would gladly let you. I will do anything you wish, any time you like. I love you and only you.

Liz
Vancouver, CAN.

Dear Liz,

Sanaei thanks you for your letter. She said that she is hoping to find a lover before she turns 20 and wonders if you might be the one for her. She asks (and we must agree!) that you send a photo of yourself to Sanaei in care of the helping hands here at PURELY 18. We look forward to seeing you soon!

Tia Tanaka

ASIAN TEEN GODDESS

This lovely Asian teen goddess is knocking out the entire porn world—and its fans!—with her adorable good looks and ferocious sexuality. One could say that she floats like a butterfly and stings like a bee. This delicious little fox is a rising superstar, and we love to have her in our mag any time. Hey Tia, maybe you could get it on with a guy next time, and we can all pretend that it's our dicks you're doing!

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Madison, a curious 18-year-old, as she ponders her world of . . . what else . . .SEX!*

A Young Girl's Diary

Dear Diary,

You know that I have touched myself before, but until yesterday we were the only ones who knew. Not anymore.

After school yesterday I was hanging out at Mary's with some of the girls. Well, they started getting kinda raunchy when Julie asked me in front of everyone if I ever masturbated! I must have turned really red, because everyone was laughing, and I didn't know what to say. You know I can't lie, so what choice did I have? I had to tell her—and everybody—that my fingers had walked their way into my panties.

They were so shocked! Mary was all, "I don't think I've ever even heard you say the word!" (She was probably right—I don't think I've ever used the word except just now with you.) They were all really curious, I had no idea they thought I was such a prude, and they kept asking questions.

I said that I always do it in bed under the covers before I go to sleep. I said I didn't think I was noisy, but that sometimes I kind of scare myself when I catch myself moaning out loud. I had to tell them about my pubies and the different ways I have shaved them. Do you know that at one point Shima actually talked me into getting naked right there in front of everyone?! I got all the way to my bra and panties when I got scared and put my clothes back on. (I swear Shima is a total lez in real life!)

> "I don't even have to put my fingers inside me to totally get off! I can just take one little finger and twist it around just right and I'm like going through the roof."

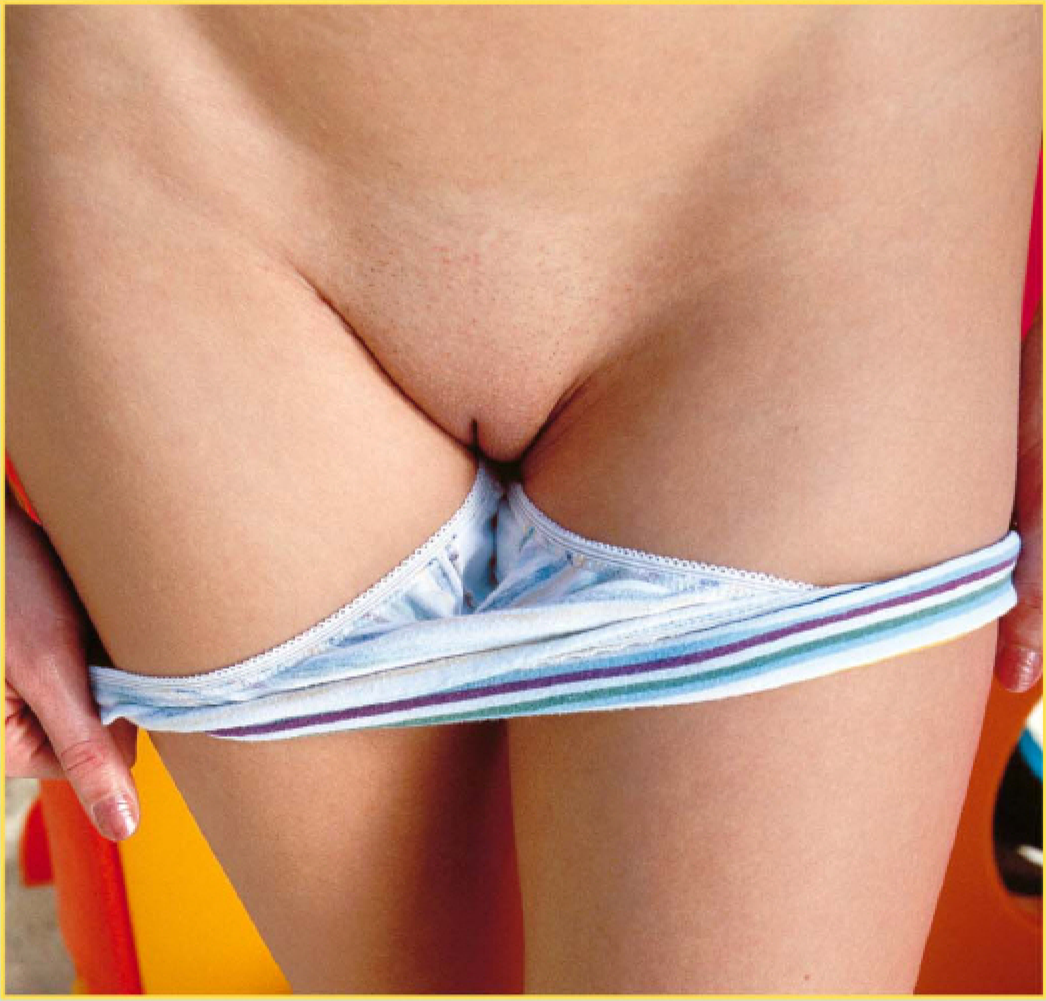
While it was pretty weird to talk about these things in front of other people, in the end it really helped because they all had ideas to share. There are so many things I didn't know! I can't wait to try some of them!

Dear Diary,

Sorry I haven't written in…omigod, it's been two weeks! I'm so sorry, but I've been so busy! And I have so much to tell you.

You remember how I went to Mary's and all the girls were telling me different tricks for touching myself? Well, I wish I had known this stuff a long time ago!

The first thing I found out was that I have a clit. I know, I should have known, but they don't teach us this stuff in school and I don't want to hear the word "clit" come out of Mom's mouth! Anyway, it is so cool! I don't even have to put my fingers inside me to totally get off! I can just take one little finger



Yasmine

PLENTY OF FACE TIME

Yasmine is one of those bad girls who love to talk dirty to anyone who will listen, but unfortunately for us, it seems that she's got a mouthful at the moment. Her friend Clark just happened to stop by right when Yasmine was going to tell us exactly how naughty of a girl she can be. So, instead of telling us, she showed us by putting her mouth where his money-shot was! When Clark's cock wasn't deep down Yasmine's throat, it was busy burying itself into the farther reaches of her pulsating pussy. It just goes to show you that naughty girl's actions speak louder than their moans!

Jenny & Pellenia

BEST FUCKS FOREVER

Jenny and Pellenia aren't the type of friends who happened to find themselves in a sexually curious situation, nor were they two horny teens just looking for a little erotic experimentation. No, these two brazenly beautiful babes went after each other with a kinky carnal craving that only a true lover of licking clits can understand. This blonde and brunette camel-toed team go at each other's heavenly holes like crazed sex-kittens in heat, leaving us, the viewer, to comfortably beat our meat to the sight of some young flesh meshing together in, what always turns out to be, a very wet and wild ride of lesbian lust. It's times like these that make me wish that in my next life I were a two-side dildo!

Purely18 ON THE SET

Red Light District Presents

We FUCK 'em YOUNG 2

Story By Acme Andersson

*Never before in PURELY 18 history had a video elicited a response like **We Fuck 'Em Young** did last year. The amazing scenes by girls like Alexis Love and Isabella Dior are stuff of legend. For months we pestered our friends at Red Light District with dozens of fawning emails and phone calls. After all, if the second volume was as good as the first, we wanted first crack at it.*

*The reviews are in: **We Fuck 'Em Young #2** has matched the high standard set in the original.*

The new cast brings us five yummy young lasses: the still unbelievably young Alexis Love makes a follow-up appearance in the series; also appearing are Kayden Faye, Naomi Cruise, Sindee Jennings, and cover girl Summer Paige. Now that you know who they are, let's find out what they can do.

NAOMI CRUISE MARK WOOD

If this magazine were called Perfect Young Melons, Naomi wouldn't just be on the cover, she'd be the permanent logo. Wow! Her teenage breasts are so full and perky that it's almost like you can feel them just by looking at them.

Mark, who directed the first volume of this series, does a lot more than feel this doll up. He gets things rolling by feeding her his schlong. She's a hungry, little gobbler, nearly managing to squeeze the entire pole in her yap-gap. She gives him her mouth lube until it's time to jump and cram that big thing between her legs. It takes a minute, but she gets a fine groove and her eye-popping pair dangle tauntingly in front of Mark's face.

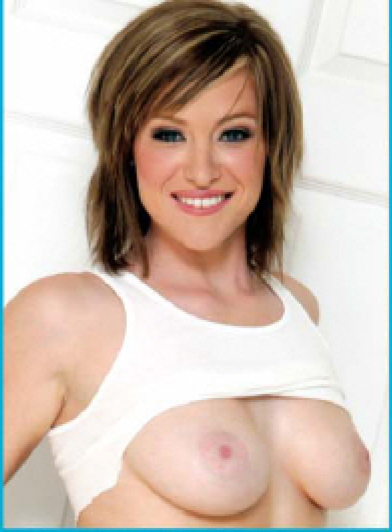
After a bit of this he turns her around, sets her on the edge of the couch, takes one look at her little patch of pubes and commences drilling. Later the look he took at her snatch comes back to him and he twists her around and laps up her pink lips while her mouth is instinctively attracted to his pecker.

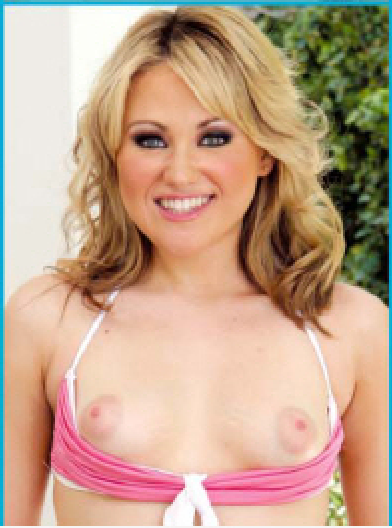
They go back to their roots, with Naomi back on top, her ass jiggling for the camera as she rides Mark's rooster and her tits dance in front of his mug. Next thing you know she's on her knees, smiling as she looks up at Mark, her pierced tongue shining in her mouth as Mark splatters jam all over her face.

KAYDEN FAYE JOHN STRONG

Oh, look at this one! At first glance she might look like a typical California teen. She's cute and tan with an impossibly bright smile and neon shoelaces. Look a little closer and you'll see a teen attitude and a rebellious gleam in her eye, the tattoos and the cigarette, the white panties under the blue jean skirt. There's also the fact that she considers herself a "little slut."

Mark lays the Wood into Summer Paige!





Sizzling Summer Paige is a young girl who gets fucked. And so is (top to bottom) Naomi Cruise, Kayden Faye, Alexis Love, and Sindee Jennings!

Kayden Faye gets it hard 'n long from John Strong!

John is not oblivious to any of this. He quickly unzips his pants to expose his stiff sword, and Kayden is even quicker to pop that human steel into her mouth. Soon he has her out of what little clothes she started with—save the sneakers, which are left on in a time-saving measure. Her beaver is bald, her nipples are pierced, and his cock fits snugly into her furless snatch. He presses her legs back as her long fingers pull the flesh away from her gash.

Her eyes roll back in her head whenever John fills her to the hilt. When he bends her over for a doggie-style plowing, she tries to maneuver with him but settles on simply setting up her body as stiffly as possible so he can work his magic wand in her puffy puss. From behind he drives her through the ringer, placing little demand on her other than living up to her self-described sluttiness. She does, especially when she gives him a hands-on blowjob that rapidly has him blasting a load onto her tongue.

Naughty Naomi Cruise bounces on Mark's Wood!

Don't turn the Paige as Summer splinters Mark's Wood!

SUMMER PAIGE MARK WOOD

Our first sight of Summer is her sitting by the pool, dangling her feet in the water, clad in her tiny bikini, tan and a little lonely. That all changes when Mark shows up. She said her parents weren't around and she wanted to get fucked. No time to beat around the bush when you're still living at home.

That's cool with Mark, who wastes not a moment before sliding his fingers along her pussy lips through her bikini bottoms. When she asks to see his dick, he whips it out immediately. "Oh," she says with a small gasp, "it's big!" She puts her hands gently on it, trying to get a grip on its hugeness. Then she puts her mouth around his big head, looks up for approval, receives it, then continues her quest to sink all of his missile into her mouth. No, it doesn't all fit, but she scores enough points for her effort to move to the next phase.

No sooner does Mark take her inside than she is on top of him, sliding her snatch down onto his meat. She doesn't even bother taking her bikini off, so Mark pulls her top apart and plays with her tits. When he does finally get her naked, we see that all the hair around her hole has been shaved, that her nipples are dark brown and, once she gets her fingers working her clit, that she has French-tipped nails. Her legs unfold before him as he gets a rhythm and Summer moans into her first orgasm.

Mark, of course, gets his rocks off, too, slamming her missionary almost until it's too late, unleashing a two-part load onto the young pretty's face and mouth.

ALEXIS LOVE MR. PETE

You'll remember beautiful Alexis from Stuffin Young Muffins #6 when she got her honeypot raided by Mark Ashley. She is also the only returning starlet from the opening volume of this new series. While it's only been a few months, our young girl has grown up a lot. She's developed confidence in her sexuality that she didn't have before. She's got a little strut in her walk. As she should.

She pulls off a long tease sequence, playing for the camera, showing off her various curves. With her parents out of the house, Alexis has invited a boy to come over. That boy is Mr. Pete, who shows up and says hello by sucking hard on her full tits and teasing her twat with his fingers. Alexis greets him with some oral action, wrapping her big lips around his stiffy. When Mr. Pete suggests they go inside, she only smiles and follows his lead. He sits on a couch and she sits on him, facing the camera. He fingers her wetness for a moment, then presses it easily into her pie. Her tits bounce as her body shakes with delight.

Mr. Pete gives her all his best moves, coming at her from the side, from behind, even from above. Alexis, this

Alexis Love looks smokin', fucking the meat of Mr. Pete!

Sindee Jennings bends over to satisfy John Strong!

new, more sexual version, is more vocal and stronger, while retaining the teen body that is only about to enter its peak.

The final straw for Mr. Pete is when he has her on the edge of the couch, her long, fawnish legs shooting straight in the air, her tits juggling, he suddenly pulls out and covers her tits with white cum droplets.

SINDEE JENNINGS JOHN STRONG

Welcome to Southern California, where one can go to any random pool and happen upon a hottie like Sindee just hanging out waiting to be felt and fucked. Or so it seems when we find this beauty poolside. But it's when she goes inside that the dirty girl gets hers.

As usual, John is stiff and ready as soon as we see him. That suits Sindee real swell, as she simply sits on the couch and goes to work on his cock. "My mom is right across the street, for real!" she tells John. He likes that idea and no doubt it helps drive the passion for each of them.

Sindee spends a long time on his rod, but John eventually lets her ride him cowgirl, steering his ship into her gushy hole. She moans and screams and shakes--before they're even two minutes in she's hollering about cumming. John keeps on trucking and soon spots start showing up on the camera lens. She may not have achieved squirter status by porno standards, but the girl cums like crazy.

John bends her over, spreading her big ass cheeks and drilling into her pink, fleshy twat. He picks up steam and she lets out more screams about how hard he is as he pumps her like he's doing reps at the gym. Finally she yells for him to cum all over her tongue so she can feel it go down her throat. When he's about to unload he holds her head back and lays down his splurts of love as she winks to the camera. She follows that with a gulp, a smile and a wave goodbye.

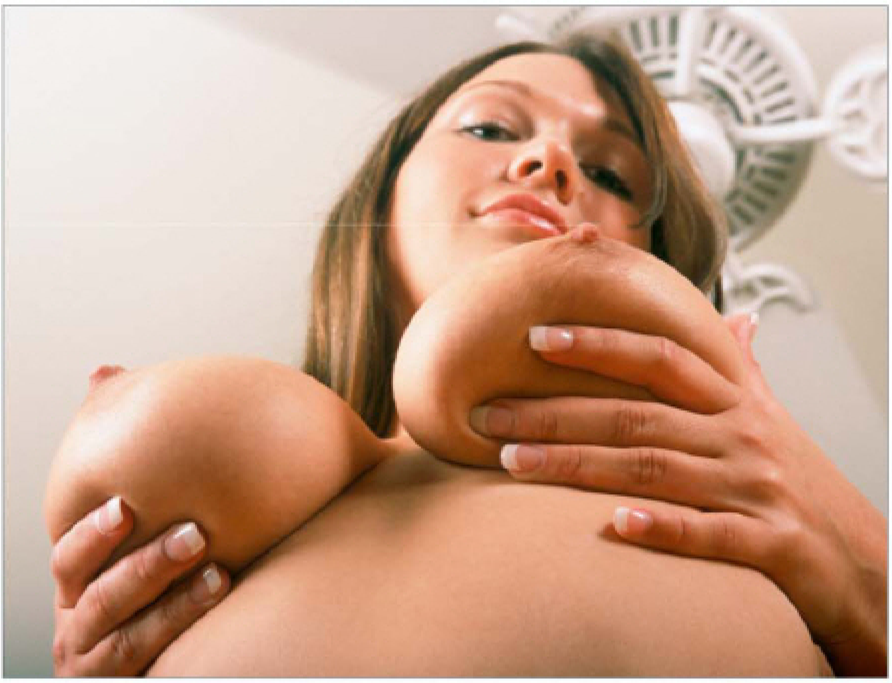
Naomi Cruise takes the ooze!

Cassandra

MORE THAN A MOUTHFUL

The first thing everyone sees when they look at Cassandra is those massive mamms! This not so tiny teen definitely has a little cushion for the pushing and she's the first one to admit that her bangable baby-fat only adds to her youthful charm. "When older men ogle me, I know they want to mount my milky mounds. When I'm feeling cheeky, I tell them to hold onto my love handles and I give them the ride of their lives. It's never long before they're plastering my peaks with their pole-pudding!" There seems to be plenty of Cassandra to go around, so climb on and enjoy her big tits and slippery slit!



Bree

SPREADABLE AND EDIBLE

This big-breasted beauty is one of our favorite up-and-coming stars and we couldn't be happier or hornier to have her in this month's issue. Bree and her mouth-watering beaver appear to be just as happy to see us as we are to see them, but when you have such a bangable body like hers, you'd always have a smile on your face as well. Those just mature melons sure seem ripe for the picking just as much as her ample ass seems ripe for a pricking! Time to dig in!

Alexis

SEXY SCHOOLGIRL

The very exotic and erotic looking Alexis loves to be naked, plain and simple. She's got the looks and the lust to capture the perverted minds and throbbing hard-ons of every well-hung hunk that's got a craving for her creamy crevices. "I just love when I enter a place and all eyes are on me. I see every man in the room wondering if they have the slightest chance to poke their pud-pourer into my fantastic furless flap-gap!" Well, Alexis, we know that if you come our way, we will certainly be hoping we get a chance to prance our probing little prince into your skinny slot!
